To check if a place is available please contact David Jones on 07968 815098 or Laura Jones on 01691 681131
Where 'am or pm only' stops are made it may be possible to extend the service to drop off or pick up at these stops
Please ask if this is something you require.

It is important that students are at the required pick up point in good time to avoid delays at stops further along the route.
It should also be remembered that adverse traffic/weather conditions may have an effect on pick up or drop off times.
